## TRINITY DEFEATS WORCESTER TECH.

**First Game Shows That Trinity Has Excellent Material.—Ramsdell Again Clever With The Forward Pass.—The Almost Entirely New Team In Excellent Condition.**

Trinity defeated Worcester Polytechnic Institute Saturday in the first game of the season, 12-6. It was fast from start to finish, and both teams worked well, with only an occasional fumble. The day was ideal for football, cold enough to put plenty of ginger in the game, and a wind blowing from the north not quite hard enough to hinder the progress of the kicks.

Captain Waring of Worcester won the toss and chose to defend the north goal. Cook for Trinity kicked off at 3:30 and Worcester ran the ball back 15 yards before the home team could check the rush. For several minutes everything was all Worcester, for they succeeded in gaining their distance by line plunges, followed by a penalty against Trinity of 10 yards for off side. Trinity held and Worcester was forced to kick, the punt was fumbled but recovered by Capen. The forward pass went badly for the home team, the ball being fumbled and finally called back. Here Trinity was again penalized 15 yards, bringing them back to their own 10 yard line. Cook tried a fake kick passing the ball forward, but Worcester got the ball and carried it to the 3 yard line. On the next play Halligan of Worcester carried the ball over the line for the first touchdown of the game. Clough kicked the goal. Time 10 minutes. Score, Worcester 6, Trinity 0.

Worcester kicked off, Ramsdell received the ball and ran it back 30 yards through a broken field. He was immediately called on again and was good for 10 yards through the line. Trinity worked the forward pass successfully, Carroll to Ramsdell, for 25 yards. On the next play the ball was fumbled but Capen succeeded in recovering it with a loss of 10 yards. Carroll gained 5 yards, but was unable to make the necessary distance, so Cook punted over Worcester's goal line, and the ball was taken from there to the 25 yard line and put into play. Worcester gained 20 yards by a series of plunges, but Trinity held twice in succession, and forced their opponents to kick. Worcester punted 40 yards to Cook who ran the ball back 20 yards before he was dumped. Henshaw gained 5 yards, Carroll made 5, and on the first down the forward pass netted 25 yards after a run of 15 yards, Cook to Ramsdell. The next play Trinity went over the line but fumbled the ball and Worcester got it, taking it to the 25 yard line and putting it into play there. The visiting team then made their distance, but the Hartford team held twice and Wor-

cester tried a forward pass which was on the third down, therefore declared legal—Trinity getting the ball. Trinity gained half their distance, and the next play Carroll skirted the ends for 15 yards following it up with a forward pass to Ramsdell for an additional 15. By line work Trinity carried the ball over and tied the score for Gildersleeve kicked the goal. Score, Worcester 6, Trinity 6.

Cook kicked off for Trinity and Worcester ran the ball back 5 yards, followed by a gain of 5 yards through the line, but was forced to kick. The punt carried 30 yards to Henshaw who was downed in his tracks. Carroll went around right end for 15 yards, a forward pass was worked for 4 yards, and Trinity was forced to kick. Cook punted 30 yards and McElroy spilled the Worcester man as soon as he had received the ball. Worcester kicked immediately to Cook who ran it back 5 yards, and returned the kick which hit the ground and Howell dropped on it. Time was called with the score still a tie.

The second half opened by Worcester kicking off to Carroll who dodged for 20 yards. Henshaw went around left end for 35 yards, followed by a line buck by Carroll for 5 yards. Trinity tried a forward pass which was blocked and fumbled, Sherman dropping on the ball. Worcester was unable to gain their distance, and kicked for 35 yards to Cook. Carroll worked left end for 15 yards, while Ramsdell gained 35 around right. Worcester were tight and Trinity was penalized 15 yards for holding. A forward pass by Trinity was fumbled, the opponents getting the ball and making their distance. Being held, Worcester worked a fake kick for 5 yards, followed by an onside kick for 20 yards. Cook received the ball on a fumble and made 25 yard run, Henshaw stole 8 yards through left tackle, and Ramsdell went around right end for 10 yards. By plunges Trinity made 30 yards, Gildersleeve, Ramsdell and Carroll gaining 10 apiece. Carroll was sent through guard for a touchdown. Gildersleeve kicked the goal. Score, Trinity 12, Worcester 6.

Worcester kicked off for 40 yards and Henshaw got 15 yards before being stopped. Carroll and Ramsdell were good for 20 yards between them through the line, and on the next play these two worked the forward pass to advantage. Worcester held, Cook punted and Howell again fell on the ball. Trinity fumbled, Worcester made 10 yards on a forward pass and also went through the line for their distance, when time was called.

## UNDERCLASS TRACK MEET.

### Sophomores Carry Off Victory.

As was expected, the Freshman-Sophomore track meet resulted in a victory for the class of 1912. The score stood 67 to 41, but the freshmen had a chance to win up to the last, when the discus and hammer throw were a walk-over for the sophomores.

Ahern was the individual star of the meet, winning fourteen points for his class. He captured first in the high hurdles, first in the discus, second in the hundred yard dash and third in the low hurdles.

Of the freshmen, Collett, track captain, showed up best, winning the hundred and two-twenty dashes, the only events in which he was entered.

Wessels '12, Walsh '12 and Foote '12 all did good work for their class, each making ten points. Wessels captured firsts in the pole vault and low hurdles. Walsh sprang a surprise in the weight events and won first place in both the shot and hammer. Foote scored three seconds and a third, making his individual score ten points.

Foot '13 ran the quarter in easy fashion and should make a good man for the track team. Pulford '13 with good coaching, should develop into a star man in the high jump and pole vault.

Chow '13 made a fine showing in the pole vault and with more practice should develop into a good vaulter.

The events were:

100 yard dash—Collett '13, first; Ahern '12, second; Withington '13, third. Time 10½ sec.

High jump—Moore '13, first; Sporer '12, second; Pulford '13, third. Height 4 ft. 10 in.

Pole vault—Wessels '12, first; Pulford '13, second; Chow '13, third.

Shot put—Walsh '12, first; Bleeker '12, second; Foote '12, third. Distance 32 ft. 6 in.

Hammer throw—Walsh '12, first; Foote '12, second; Rankin '12, third. Distance 75 ft. 10 in.

Discus throw—Ahern '12, first; Foote '12, second; Howell '13, third. Distance 79 ft. 7½ in.

220-yard low hurdles—Wessels '12, first; Marr '13, second; Ahern '12, third. Time 32½ sec.

120-yard high hurdles—Ahern '12, first; Heater '13, second; Withington '13, third. Time 21½ sec.

1 mile run—Craik '12, first; Jameson '12, second; Saltsman '12, third. Time 5 min. 21½ sec.

Half mile run—Swift '13, first; Craik '12, second; Dawley '13, third. Time 2 min. 34½ sec.

Quarter mile run—Foot '13, first; Bates '12, second; Steven '12, third. Time 59½ sec.

220-yard dash—Collett '13, first; Foote '12, second; Foot '13, third. Time 24½ sec.

The officials for the meet were: Starter, Burdick '11; Judges, Henshaw '10, Stansfield '10, Smith '10; Clerk of

Course, Merrill '10; Timers, Brainerd '11, Grint '11; Scorer, Flanagan '12; Measurers, Yates '11, Judge '10.

## FRESHMEN RULES.

### List of Suggestions a Benefit to All.

The co-operation of every man in college is necessary if the success of the institution is to reach a maximum. Lack of interest in one man is not merely a negative evil, but has a dampening effect upon the ardor of every other man with whom he comes into contact.

It is urged, therefore, upon all new men that they enter upon some field of undergraduate activity. Some may be naturally athletes, some have managerial ability, others be musically inclined, and yet others be of a literary turn of mind; but in whatever direction a man's inclination may lead him, he will find plenty of opportunity and encouragement to make good.

It is the duty of all true Trinity men to support, to the extent of their means, all noble and worthy movements in the college. Join the athletic association; subscribe for college publications, and patronize the advertisers therein; encourage men who are working for the college by backing them up heartily; in short, do your best to place and keep Trinity where you would be proud to have her in the estimation of men.

I. Freshmen are required to wear the regulation cap on all occasions, except on Sundays, or when escorting ladies to college functions or games, or when going down town. The cap must in no way be altered or mutilated.

II. Prompt attendance at all college meetings and games is compulsory.

III. Respect for professors, graduates, and men of superior classes is evidenced by saluting. Freshmen are further required to step off the board walk at the approach of a superior.

IV. Unquestioning obedience and a generally unobtrusive demeanor are prime requisites. Do not give gratuitous advice or enter into discussion unbidden, but conduct yourselves always with reserve and sobriety.

V. Under no circumstances may Freshmen appear at Heub's, or in a box at any theater, unless accompanied by a man of higher class.

VI. Freshmen are not permitted to wear khaki or corduroy, nor to smoke pipes or cigars in public. The wearing of school insignia of any description and the carrying of canes are likewise forbidden.

VII. No throwing of snowballs or water will be tolerated, nor any calling out of windows or shouting about the campus. No loud haberdashery should ever be displayed, or conspicuous clothing.

VIII. Freshmen must keep their notices off the bulletin-board and themselves off the college fence.

President Luther, Doctor Babbitt and Doctor J. Ewing Mears, LL.D., will represent Trinity at the inauguration of President Lowell at Cambridge.

## EDITORIAL.

The game with Worcester Tech. on Saturday should be a source of gratitude to all Trinity men both undergraduates and alumni, not especially by reason of a fairly easy victory over a team which last year defeated one of the best teams we have had in years, but because it clearly showed that Coach Gettell has the team into a playing condition which few teams show so early in the season. All the more credit is due to the coach when it is remembered that more than half of the team is composed of new men who have been taught the style of play so quickly, that it was noticeable even in the first game. With only one man, Captain Henshaw, playing in his old position the team may be said to be an entirely new one from last year's team, and too much credit cannot be given to Coach Gettell on account of his ability to round them into shape. The game with West Point on next Saturday will be a difficult one and not too much should be expected, for the West Point team is an experienced one as only two men are lost from last year.

The attendance and cheering were good but there is room for improvement. The new men especially should learn the cheers and songs so that there will be more volume. The greater the number of men cheering, the better the cheering will sound to the eleven men on the gridiron and the harder these men will work to win the victory, for old Trinity.

Printed on a neat little folder, without the usual puerile attempts at the cartoonist's art, and wholly devoid of evidences of officiousness, the Freshman rules have appeared.

Although the body of the rules does not

differ substantially from those of former years, the matter contained in the appended "suggestions" is a decided feature, and well worth both the commendation and the practice of all the classes.

It is hoped that with this action of the Sophomore class begins a new era of undergraduate life at Trinity. It represents an attempt to put aside the proverbial and wornout "traditions" that adolescent enthusiasm has foisted upon us, and evidences the inception of a spirit that will make the paddle a relic of the past.

Moreover these rules could readily form the nucleus for a Trinity booklet—a sort of Freshman Bible. As it is, it would not be a bad idea for us all to tack the "suggestions" above our desks.

**HANDBOOK OF ATHLETICS.**

Several energetic and progressive  
members of the Athletic Association are  
said to be at work on the manuscript  
of a booklet which, it is hoped, will  
be published in the course of the com-  
ing winter. The plan is to put into  
compact form the various records of  
the association, which are at present  
scattered and extremely difficult of ac-  
cess.

The booklet is further designed to  
include a history of the accomplish-  
ments of the association, together with  
a statement of its present status and  
future aims. The constitution, by-laws,  
and governing principles will find place  
between its covers, as will various doc-  
uments and data of interest. It is  
hardly conceivable that the compilers  
will omit mentioning our relations with  
other colleges and a review of our suc-  
cess in intercollegiate competition.

The book, if it in any degree fulfills  
the promises unofficially made in its  
behalf, will certainly supply a want,  
and its advent will be awaited with a  
great deal of interest.

## The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.

In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.
